1. GENERAL

1.1 Eligibility of Teams

Teams are nominated by European Golf Association (EGA) member national golf authorities.

If the number of entries should exceed the maximum (20), the Committee shall decide which teams will be invited to participate based on past participation, past results or both until a Challenge Trophy is officially introduced.

1.2 Eligibility of Players

All players nominated to teams by their national golf authority must be:

- amateur golfers in accordance with the Rules of Amateur Status as approved by R&A Rules Limited;
- citizens of the country represented. Players with dual citizenship may only represent one country per year;
- playing with a handicap of **12.0** or better.
- 50 years or over as of Day 1 of the Championship.

Penalty for Breach of Condition: Disqualification of player

1.3 Format

A maximum of 20 teams shall be eligible to participate, each comprising six players with an option of a seventh player to allow interchange.

The Championship will be played in accordance with the Rules of Golf as approved by R&A Rules Limited and the Local Rules as approved by the Championship Committee in two stages.

1.3.1 Stroke Play

There shall be two rounds of 18 holes stroke play on Days 1 and 2 to decide the draw for the match play, which commences on Day 3.

a) Order of Play

Team captains will determine the order of play within their teams for Days 1 and 2 using an official order of play form. If the order of play form is not submitted:

- For Day 1, by 17h00 on the day preceding the Championship, the order of play will be determined alphabetically by surname.
- For Day 2, by 17h00 on Day 1, the order of play will be the same as for Day 1.

b) Scoring

The lowest five scores from each team's six players will count each day. The aggregate of the five lowest stroke play scores from play on Days 1 and 2 will constitute each team's score for determining the match play stage seeded draw.

c) Decision of Ties

A tie for any place in the match play order shall be decided using the lowest total of the two non-counting scores. If a tie still exists, the sum of the two lowest scores, one from each day, shall be used. Then, for further ties, the sum of the two second lowest scores, the third lowest scores, the fourth lowest scores and, finally, the sum of the two fifth lowest scores, one from each day, shall be used. Any further tie will be decided based on the final stipulated 18, 9, 6, 3 holes or last hole, in that order, of the best score from each of the tied teams.

d) Substitutes

If a substitute is required on either Day 1 or 2, the Committee must be notified, at the latest, 20 minutes before the first tee time. A substitute is permitted for any reason, but must be the seventh player if one is registered by the team. The seventh registered player may practice, but a further substitute may not until she has been officially substituted for a team member with permission from the Committee.

e) Absentee Player

In the event that a registered team member cannot participate in a stipulated stroke play round, the team's five scores will count. In the case of a decision of ties, the team with the absentee player shall finish last. If more than one player is absent, the team shall automatically assume last place in the match play draw. The remaining players shall be permitted to play their stroke play rounds, which the committee may use to determine match play seeding when more than one team have two or more absentee players.

1.3.2 Match Play

The stroke play will determine a seeded order for the match play. A maximum of 20 teams will be divided into a first flight of eight teams: 1 vs. 8; 2 vs. 7; 4 vs. 5 and 3 vs. 6, second flight of eight teams: 10 vs. 15; 14 vs. 11; 12 vs. 13 and 9 vs. 16 and a third flight of four teams who will play a

round-robin with the team qualifying 17th playing the teams qualifying 20th, 19th and 18th on Days 3, 4 and 5 respectively.

The results of the round robin will be determined based on points accumulated, with 1 point awarded for a win. In the event of a tie, the final positions will be decided by number of individual matches won and then, if necessary, by number of holes won (see 1.3.2 (e) Exception).

If there are fewer than 20 teams, the structure of the draw will change according to a standardised EGA format.

All teams will play a one foursome and four singles match format.

a) Order of Play

On the eve of each match, team captains must provide the Committee with the order of play, using the official order of play form, for the foursomes and singles matches:

- for Day 3 matches, no later than 30 minutes after the completion of the second round of stroke play.
- for Day 4 and 5 matches, no later than 30 minutes after the completion of their team's flight the previous Day.

Failure to submit the official order of play form on time will result in the order of play being determined alphabetically by surname.

b) Substitutes

- Foursomes - the Committee must be notified of a substitution no later than 20 minutes prior to the team's first foursomes tee time. The substitute will take the position of the player he substitutes.
- Singles - the Committee must be notified of a substitution no later than 20 minutes prior to the team's first singles tee time. The substitute will take the last position in the team's order of play. The other team players maintain their respective order, with those positioned below the replaced player moving forward one position.

A substitute is permitted for any reason, but must be the seventh player if one is registered by the team.

Penalty for Breach of Condition 1.3.2 (b): Disqualification of all players out of the pre-stated order of play.

c) Halved Match

In the event of a halved match in any round, players shall continue to play until a player wins a hole, when the match will be considered won.

Exception: Condition 1.3.2 (e).

d) Concession of Matches

When a final team match result is already decided, an individual match may be halved if all participants in that match agree.

Note: After 18 holes or any extra hole(s), if the players in an individual match remain all square and the final result of the team match has been decided, the match in question will be halved.

Exception: If the matches are in a flight of three competing nations or in the third flight, players must play until there is a winner, including the playing of extra holes if necessary.

f) Absentee Players

In the event that a registered team member cannot participate in a stipulated match play round, that player's match shall be forfeited at a position within the order of play determined by the captain. If the captain has not submitted an order of play, the final singles match will be forfeited. Up to two singles games may be forfeited owing to player absence by any one team. Foursomes matches must not be forfeited in favour of singles matches. If fewer than four players are available to represent a team, that team must forfeit its match.

1.4 Practice

A player who is competing in the championship will not be allowed to practice on the championship course for a period of thirty days before the first official practice day, unless he is a member of the golf club at which the championship is being played. Only registered team players will be permitted to practice during the official practice rounds and in official practice areas.

See Section 1.3 1(d) for information on practice for substitutes.

1.5 Advice (Note to Rule 8-1)

Each team may appoint a "Team Advisor" who may give advice to members of that team from either:

- a Team Captain, who must be an amateur golfer in accordance with the Rules of Amateur Status as approved by R&A Rules Limited; or
- another person who may or may not be a professional golfer.

If appointed, a Team Advisor must be identified to the Committee prior to the start of the Championship.
