## WELCOME TO RIVERSIDE GOLF ZAGREB

**Dear players, officials and guests of the European Team Shield Championship 2018**

It is our great pleasure and honor to have such an important tournament as the 2018 European Team Shield Championship at the Riverside Golf Zagreb, particularly because it is the first important tournament to be held on the course since we became a new owners, only 8 months ago.

From the very first decision to buy this golf course, relatively not well maintained at that moment, we wanted to turn it into a high quality golfing oasis that, after a complete renovation, both recreational golfers and elite players would enjoy.

For this, a big investment project was required, within which all lawn surfaces were renovated, sands in bunkers and irrigation system renewed, approximately 3 km of cart paths and car park with an additional 80 places were built, a club house with necessary accompanying facilities reconstructed, including also construction of a green keeping facility.

At that, exactly this important tournament (ETSC 2018) was an additional incentive for us to accelerate all the works. We believe that some still visible traces of those intensive improvements will not affect the quality of the game.

In addition to the investment works on the course, our particular wish is to contribute, as the new owners, to the popularization of golf. So, we decided to improve our short PAR 30, 9 holes golf course, to offer green fees on that golf course at very fair prices, and for the kids of the Zagreb schools to provide free golf lessons through the Golf Academy.

Having such an important tournament, as 2018 European Team Shield Championship will certainly contribute to the promotion of the game of golf in Croatia.

Finally, we want to express our appreciation to the European Golf Association, The R&A and the Croatian Golf Association for organizing this event at Riverside Golf Zagreb and wish all the players a good game. We hope you will all enjoy our course and have a pleasant stay in Zagreb.
