

# EUROPEAN AMATEUR CHAMPIONSHIP

**DIAMOND COUNTRY CLUB, 26 – 29 JUNE 2019**

**PIERRE BECHMANN**  
PRESIDENT EUROPEAN GOLF ASSOCIATION

The European Golf Association is most grateful to the Austrian Golf Association and to Diamond Country Club for hosting the 2019 European Amateur Championship.

I know that all golfers will enjoy the privilege of competing in this event

and that the winner will relish the opportunity of playing in the 2019 Open Championship at Royal Portrush Golf Club.

As always, friendships will be enhanced by the friendly rivalry which this event provides, and I wish all

competitors a most happy and enjoyable championship!

**PETER ENZINGER**  
ÖGV PRESIDENT

As President of the Austrian Golf Association, I would like to extend a very warm welcome to all participants, officials and visitors to the European Amateur Championship at Diamond Country Club here in Austria.

The Austrian Association is very proud to host this prestigious event again, for the first time since 2000. We would like to convey our congratulations to the Diamond Country Club Team, having earned the privilege of organizing this event for the very best of European elite amateur golfers. Organizing Championships of this magnitude is rather challen-

ging, but also very rewarding for those involved

Therefore, I would like to thank everybody on the team for making this event possible, helping to promote international relations and golf at the highest level, with special thanks to the whole team at Diamond Country Club and especially President Christian Guzy for all of their tireless efforts.

To the players, we wish you all the best for the upcoming preparation days and the best of luck for your tournament. Enjoy the opportunity of competing against the top ama-

teur players in Europe and of playing at one of the most beautiful and demanding courses in Austria.

I am looking forward to watching some excellent golf and to being part of this unique European Amateur event.

I truly hope that our guests from abroad compete at their highest levels; respecting the rules of golf and the spirit of the game, and I hope that you take home some very pleasant memories of your stay in Austria.

**PLAY WELL!**

FOREWORD  
CHRISTIAN GUZY

CHRISTIAN GUZY  
PRESIDENT DIAMOND COUNTRY CLUB

Diamond Country Club feels honored to be the venue of yet another elite golf tournament.

This time it is a special pleasure to welcome Europe's best Amateur golf players.

The development of our resort within the last 10 years has been closely guided and watched by many well-known golfers, both professional and amateur.

We always have and still are concerned with guaranteeing golf players the best playing conditions, which has helped not only famous players

like Graeme McDowell, Miguel Angel Jimenez, and Bernd Wiesberger but also the best up-and-coming players in achieving peak performances.

This European championship also provides a chance for Austrian golf to build its international reputation. Lower Austria in particular, with its many excellent golf courses surrounding Vienna, deserves more awareness and recognition!

We are aiming to be an ambassador for the outstanding work that is performed in eastern Austria and reflect it as a leading golf resort. Diamond Country Club has taken on

this responsibility as Austria's only European Tour Destination, and we are grateful to the EGA for their trust.

VENUE  
DIAMOND COUNTRY CLUB

Jeremy Pern created a wonderful golf landscape on the one-of-a-kind Tullner Field. At the heart of it all is the Diamond Course, an 18-hole championship course. In addition, the 9-hole Park Course and the 12-hole Country Course which is currently being converted into an 18-hole course guarantee unforgettable golf moments around the centrally located 10 hektar lake.

Due to course management and the central element of water, the Championship Course challenges every player's ability. The Diamond Country Club was host to the European Tour from 2010 to 2018 and additionally the venue for different EGA Championships in the recent years.

Experience the European Tour standard which allows precise shots even in challenging situations, aside from the lush fairways. The trim cut grass and perfectly kept greens allow for the best games of golf, surrounded by beautiful and fair water hazards. Fall in love with our dream of that unforgettable game of 18 perfect holes.
