WELCOME MESSAGES

The European Golf Association is most grateful to England Golf and Woodhall Spa Golf Club for hosting the 2020 European Senior Men's and Ladies' Championships. I also extend my thanks to the members for making their superb golf course available for this championship.

All competitors will no doubt enjoy such a beautiful venue, and I am sure that the event will be another opportunity for great golf and friendship made and renewed.

Best wishes to all competitors for a most happy and successful Championship!

*Haukur Örn Birgisson
President
European Golf Association*

On behalf of England Golf may I welcome the officials of the European Golf Association and competitors to Woodhall Spa for the 2020 European Seniors Championship.

Woodhall Spa is home to not only England Golf but also the world famous Hotchkin course, recently redesigned by the renowned golf course architect Tom Doak. The course ranked 4th in England and 54th in the world will provide a stern and thoroughly enjoyable test to all the competitors.

May I wish you all every success in this most prestigious championship. Previous results have demonstrated the very high standard of golf played and I feel sure that this year will be no exception.

**Graham Yates
President
England Golf**

WOODHALL SPA HOTCHKIN COURSE

The Hotckin Course

The Hotckin Course is one of the UK's finest heathland courses famed for deep bunkers and punishing heather. Built in 1905, the Hotckin was originally laid out by Harry Vardon and J H Taylor. Improvements were made by Harry Colt in 1911 and the course layout that we know today was created.

Stafford Vere Hotckin, the owner of the Club and a golf architect, made further improvements to the course throughout the 1920's and 1930's. By 1935, the course was recognised as a stern championship test of substantial merit. Since then many national and international championships have been hosted on a regular basis.

In 2015, it was decided that the course needed renovating and Tom Doak, arguably one of the best golf course architects in the world, was appointed to oversee the project. All 18 holes were refined and improved over a three-year period with many notable changes. The removal of a significant number of trees, scrub and gorse returned the course to its natural heathland state. Some of the original bunkers were re-introduced and there are now 143 bunkers to avoid!

Following this work, the course immediately jumped 16 places in the official world rankings to number 54.

The management team and members of the club are looking forward to hosting the European Seniors' Championship and to welcoming the players and guests from so many different countries. It is sincerely hoped that the course and our excellent practice facilities are thoroughly enjoyed by all competitors.
