Welcome

It is my privilege and honour to welcome all Competitors, Captains and Officials to the European Amateur and European Boys' Team Championships, Division 2.

We are most grateful to the Estonian Golf Association and to the Estonian Golf & Country Club for organising the event and hosting us all. My thanks go to all the officials, staff and volunteers who work so hard to make this tournament so enjoyable for everyone. I am sure that all competitors will enjoy this beautiful venue.

This event will be another opportunity for great golf, where some of Europe's most talented amateur golfers come together in a competitive and friendly manner.

On behalf of the Estonian Golf Association, I am happy to welcome you to the 2021 European Amateur and Boys' Team Championships, Division 2, held at the Estonian Golf & Country Club by the beautiful shores of Gulf of Finland.

We are honoured to host such important competitions in Estonia and we are glad to see you all here with us. EGCC is the golf course with traditions – it has hosted the European Amateur Championship 2016 and several other events.

Tallinn is the city with long history dating back to 13th century. It has a magnificent Old City dating from the Middle Ages, from the time it was the member of Hanseatic League. Today it is the city with probably the most vibrant start-up community in Europe. So we can guarantee a lot of sightseeing and networking opportunities for

My best wishes to the teams, officials and supporters. Play well, enjoy yourselves and I hope that you will all get the chance to make new friendships, which may well last a lifetime.

Estonian Golf & Country Club

Estonian Golf & Country Club offers golfers a 9 hole links style Stone Course and an 18 hole championship level Sea Course.

With an overall elevation change of 40 meters, oak alleys, ancient boulders, and natural ponds the site is befitting of world class golf course.

The Sea Course with it's 18 holes stretching over 6500 meters, is a true championship golf course. Holes built among unspoiled forests reach out to the beach and play along the Jägala River.

Due to the length and complexity, the Sea Course is a real challenge even for the golfer of the highest skill level.
