WELCOME MESSAGE FROM THE EGA PRESIDENT

Message from the President of the European Golf Association

On behalf of the European Golf Association, I wish to express our most grateful thanks to the Hungarian Golf Federation and Pannónia Golf & Country Club for hosting the 2022 European Ladies' and Men's Team Shield Championships.

I know that all golfers will enjoy the privilege of competing in this event.

As always, friendships will be enhanced by the friendly rivalry which this event provides, and I wish all competitors a most happy and enjoyable championship!

Jan HUBRECHT  
President

**WELCOME MESSAGE FROM THE HOST UNION**

**Message from the President of the Hungarian Golf Federation**

The Hungarian Golf Federation welcomes you all in Hungary!

Pannónia Golf and Country Club is one of oldest, and most beautiful championship golf course in Hungary. It is situated in a scenic wine-region (Etyek) 40 km from Budapest.

Hungarian golf celebrated its 100th Jubilee in 2010. Although the game of golf was forbidden from 1945 the Golf Federation was able to re-start its operation in 1989. Ever since we have been making

great effort to restore the integrity, and the popularity of the game in Hungary.

It is our pleasure to welcome all competitors of the participating nations. We will do our best to organize a successful EGA Team Shield Championship in 2022.

It is also our great honour to welcome the Representatives of the European Golf Association. This tournament very well represents the importance, and the rising popularity of golf amidst the “developing golf nations” throughout Europe, especially now that golf has once again gained its rightful place in the Olympic Games.

The Hungarian Golf Federation and Pannónia Golf Club wishes you a very successful tournament, and we will do our best to give you a warm welcome and hospitality!

HUNGARIAN GOLF FEDERATION  
Miklós Vaszily  
President

The Pannonia Golf & Country Club's 18-hole course was designed by renowned golf course architect Hans G. Erhardt. Stretching along a valley, the fairways are in varied shapes to ensure true golfing pleasure. Eight water hazards spice up the game, while the positioning of flags on the undulating hills of the greens also add a challenge. The six different tees offer both beginner and advanced players the chance to accurately assess their golfing skills. The spectacular natural environment and carefully-groomed course are ideal to inspire perfect shots.

The Pannonia Golf & Country Club's course has been designed to meet the highest European standards. With its professionally groomed teeing, pitching and putting greens, it also offers excellent opportunities to hone your skills and warm up before a game. Teeing grounds and fairways – designed to meet APGA Tour standards – offer a good lead-up to the final segment of the fast greens. Varying pin positions add to the challenge of your game every time you play.

The average temperature in July is 24°C.
