MESSAGES

MESSAGE FROM THE EGA PRESIDENT

On behalf of the European Golf Association, I wish to express our most grateful thanks to the Slovak Golf Association and Green Resort Hrubá Borša

for hosting the 2023 European Amateur and Boys' Team Championships, Division 2.

I am sure that all competitors will renew friendships and make new ones during our championship, and that they will keep fond memories of the event.

Generations of golfers have improved their game through the EGA's championships, and it is not surprising that European golfers are now recognized at the highest level having participated in our championships.

Best wishes to all competitors and to all those involved in the event for a very happy and successful championship.

Jan HUBRECHT
President European Golf Association

MESSAGE FROM THE SKGA PRESIDENT

Dear Ladies and Gentlemen, dear Golfers,
On behalf of the Slovak Golf Association, I would like to welcome you to the 2023

European Amateur and Boys' Team Championship, held at the beautiful Green Resort Hrubá Borša in Slovakia.

The Slovak Republic has already had the opportunity to host EGA championships many times. We can mention the Boys', Girls', Senior Ladies' Team championships and the Ladies' Club Trophy or the Amateur, the Ladies' and the Mid-Amateur Championships. And just two weeks after your championships, we will have to honor to host European Young Masters.

I am convinced that this golf course is of the highest standard for the best European amateur players, and we will see first-class golf.

I wish to all of you a very pleasant time and successful game.

Play well.

Rastislav ANTALA

ABOUT THE COURSE

Welcome to GREEN RESORT Championship Course, the most visited golf course in Slovakia. Only a half an hour drive from the capital of Slovakia, Bratislava, you can find this spectacular 18-hole Championship Golf Course, which has a lot to offer for golfers of all skill groups. It was opened in August 2014 and is surrounded with the GREEN RESIDENCE housing estate. The architect of the GREEN RESORT golf courses is Martin Munka, with the final touches given by a reputable english shaper, Chris Horn.

Most of the course is drawn on a typical south-slovak plateau, with water coming into play on almost half of the 18-holes, and a charming alluvial forest, in which 7 holes are fully or partially embedded. The length of the course from the black tees is 6691m, which makes it a huge challenge in master competitions.

The region with its flat landscape predisposes the golf course to have the same character, however, huge amount of soil brought during the construction allowed the architects to create a rugged layout, with a lot of ridges, slopes and breaks. Bent grass is used on greens and fairways as well, which ensures an exquisite quality on both.
