# THE GOLF COURSE

## ABOUT THE GOLF COURSE

Located in the charming surroundings of Ojców National Park, some 35 km from the capital of Małopolska, Kraków Valley G&CC is a facility with a flagship championship par 72 course built to USGA standards, as designed by California architect Ronald Fream. The total length of the white-tee course is 6,532 meters, while the red-tee course is 5,202 m. Topographical diversity, wide, sloping and undulating fairways, deep, strategically placed bunkers and greens that are not flat at any point are the most distinctive features. All these elements combine with a Jurassic landscape allow the whole complex to aspire to a place among the top European golf courses. Particularly impressive is hole number 10, a par 4 with an out to the right.
