

**MEDICAL CERTIFICATE
OF NO CONTRAINDICATION
TO THE PRACTICE OF GOLF**

According to our French laws and rules, a Medical Certificate is required for all players entering an International Championship or National Competition in France including Clubs' competitions.

This measure is to be used in all sports and by all competitions' organizers who can be recognized as responsible.

Therefore, the French Golf Federation has taken the decision to oblige each player having this certificate to be allowed to play the French International Championships even if the player is well insured when he travels abroad and if his medical assistance covers all expenses.

Consequently, you will find hereunder a form-sheet, model of "Medical Certificate".

You must send this Medical Certificate to :
