## President's Message

I wish all competitors a most enjoyable championship and thank the Slovenian Golf Association and Royal Golf Bled for hosting the 2018 European Seniors' Championship.

Senior competitive golf is important as it provides talented golfers with an opportunity to compete at a high level and to make and renew friendships. It also reminds us all, hopefully, that the game's well-being depends on good golfers being prepared to give their time and experience at club, regional or national level for the benefit of young people who represent golf's future.

Best wishes to all for a most happy Championship.

The facility comprises the 18-hole **Championship King's Course** and the 9-hole **Lake Course**. Surrounded by the dramatic mountains and sweeping valleys of the Alps, the course offers perfectly manicured surfaces, a strategic layout and a rare opportunity to play golf in complete tranquillity. It attracts golf players from all over Europe.

### **King's Course**

The King's Golf Course is the oldest and the largest Slovenian golf course. Its origins date back to 1937 and many visitors claim it to be one of the most beautiful golf courses in Europe.

The King's Course at Royal Bled is undoubtedly one of the most exhilarating and beautiful places to play golf anywhere in the world.

### **A new look strategic layout**

In 2017, the King's course reopened after an extensive two-year renovation that saw dramatic changes and updates made to the original layout. The course now offers a new look strategic layout, perfectly manicured surfaces and breath-taking views of the local mountains and out across to the famous Bled Castle.

During a two-year renovation which saw the course extended to Championship length and the redesign of all bunkers, tees and greens, the King's Course reopened in 2017 and a sleeping beauty was reawakened. Since then its reputation has continued to spread with Golf World Magazine quickly returning it to its envied list of Top 100 Golf Courses in Continental Europe.
