The European Golf Association, together with the Royal Netherlands Golf Federation and the Hilversumsche Golf Club, is greatly honored to welcome you to this year's European Girls' Team Championship.

Welcome messages

EGA President's message

It is my privilege and honour to welcome all Competitors, Captains and Officials to the European Girls' Team Championship.

We are most grateful to the Royal Netherlands Golf Federation and to Hilversumsche Golf Club for organising the event and hosting us all. My thanks go to all the officials, staff and volunteers who work so hard to make this tournament so enjoyable for everyone. I am sure that all competitors will enjoy this beautiful venue.

This event will be another opportunity for great golf, where some of Europe's most talented amateur golfers come together to compete at the highest level of team golf in friendly rivalry.

My best wishes to the teams, officials and supporters. Play well, enjoy yourselves and I hope that you will all get the chance to make new friendships, which may well last a lifetime.

Royal Netherlands Golf Federation President's message

As President of The Royal Netherlands Golf Federation, it is once again a great honor and privilege to welcome all players, captains and officials to the Hilversumsche Golf Club, a top-class golf course in the heart of The Netherlands.

With approximately 385,000 registered golfers in The Netherlands and 220 golf courses, golf is the number four sport in the country. The Royal Netherlands Golf Federation is very proud that we are hosting the European Girls' Team Championship in 2021, after the great success of last year's European Amateur Team Championship. Our ambition for the coming years is to host an EGA event every 2 to 3 years.

Founded in 1895 the Hilversumsche Golf Club is one of the most distinguished golf clubs in The Netherlands. It is a heathland course with a rich history. This delightful course, which winds its way through the woods and forest, has - next to last year's EGA Championship- hosted among others 27 Dutch Opens (European Tour events). We are confident that the girls will find the course as challenging as the men do!

We wish all participating players, captains and officials the best of luck. Have fun and enjoy your stay in The Netherlands.

Hilversumsche Golf Club President's message

Dear Participant,

It is a great honour to welcome you on behalf of all our members to the Hilversumsche Golf Club for the European Girls Team Championship 2021.

The Hilversumsche Golf Club is a members' club founded in 1895. The course you will play has parts of it designed by Henry Burrows (1918), but the lasting influence is that of Henry Colt when extended to 18 holes in 1928. Although the course has been updated, modernized and lengthened several times by Kyle Philips and in more recent years by architect Michiel van der Vaart, all changes were made by respecting the original design.

There are various "signature holes" but most often the one singled out is The Pancake; a very short but testing par three, which you play as the 5th and the members as the 14th. Hitting the middle of the green seems to be the prudent shot. The classic design is recognised throughout the whole lay-out.

The first part of the year 2021 still carries the weight of many of the Covid 19 restrictions but since 2020 we have learned to cope with many of them and continue to offer a good golf challenge for the young talents of the European golf nations. After an unusual weather pattern, high temperatures in March while April offered freezing cold and snowy days, we are proud to offer you the course which by June should be in a good playing condition. You will play the course in the major tournaments routing, whereby the final holes wind around the clubhouse. This offers those who are allowed to watch and support the teams to closely monitor the final stages of the competition.

Our member-volunteers and especially the organising committee and our greenkeeping staff have worked hard to make your stay at the Hilversumsche Golf Club such that you can concentrate on your game. With 27 Dutch Open Championships having been played at our course, we pride ourselves on the course, a smooth organisation, a welcoming membership and Clubhouse staff.

Most of all, we are looking forward to great golf by the best young talents of Europe who will battle for the best results in a very competitive field on our beloved course. We aim to provide the best playing field for this event and are confident that the best may win. We wish all participants a great tournament and success.
