## ABOUT SWITZERLAND

### Some facts about Switzerland:

**Switzerland**, officially the **Swiss Confederation**, is a federal republic in Europe. It consists of 26 cantons, and the city of Bern is the seat of the federal authorities. The country is situated in Western-Central Europe, and is bordered by Italy to the south, France to the west, Germany to the north, and Austria and Liechtenstein to the east. Switzerland is a landlocked country geographically divided between the Alps, the Swiss Plateau and the Jura.

While the Alps occupy the greater part of the territory, the Swiss population of approximately eight million people is concentrated mostly on the plateau, where the largest cities are to be found: among them are the two global cities and economic centres Zürich and Geneva. There are four official languages in Switzerland, by order of importance German, French, Italian and Romansh. The currency used in Switzerland is the Swiss Franc (CHF).

**Lausanne**; is situated in the French-speaking part of Switzerland, on the shores of Lake Geneva (*Lac Léman* in French) and is the capital of the canton of Vaud.

Lausanne has a focus of international sport, hosting the International Olympic Committee (which has recognised the city as the "Olympic Capital" since 1994), the Court of Arbitration for Sport and some 55 international sport associations. It lies in a well-known wine-growing region. Lausanne will host the 2020 Winter Youth Olympics.

The Olympic Museum is well worth a visit. If you wish to go there please ask the Helpdesk at the club reception.

The 18-hole golf course in Lausanne was established in 1921, partially abandoned during the war and re-opened in 1947. The course has seen major renovation by renowned architect Jeremy Pern in 1996. It is a parkland course with many venerable trees. It has hosted the Espirito Santo Trophy in 1982, the St. Andrews Trophy in 2002 and numerous other international events. A video of the golf course is to be found on <https://www.flyovergreen.com/iframe/golf/1839>.

For this event, the par-72 course will be 5721m in length, CR is 76.8 and SR is 143 (see scorecard below). The official StrokeSaver will be handed out free of charge to participants. Restrooms are located on holes 3-7-10-14.

The practice facilities in Lausanne Golf Club include a large driving range as well as short-game practice area and putting green.
