Message from the president of the European Golf Association **CAROLINE HUYSKES**

On behalf of the European Golf Association, I am delighted to welcome the teams and all officials and supporters from The R&A and the Continent of Europe to the Jacques Léglise Trophy.

We are very grateful to the Royal Belgian Golf Federation and to Royal Golf Club of Belgium for hosting this outstanding event.

International matches are looked forward to with great enthusiasm and are the highlight of the season for many, as it brings together the most talented amateurs from the Continent of Europe and Great Britain & Ireland to compete at the highest level of team golf.

I offer my best wishes to all teams and hope you will retain fond memories of this special occasion.

Message from the captain of the Royal Golf Club of Belgium **CEDRIC DE WOOT**

Dear friends,

On behalf of everyone at the Royal Golf Club of Belgium, it is my great pleasure to welcome you to our club for the Jacques Léglise Trophy. Hosting this prestigious event is an incredible honour, and we are delighted to play a part in continuing its rich tradition of showcasing the finest young talent in amateur golf.

The Jacques Léglise Trophy has a long history of fostering competition and camaraderie between Great Britain & Ireland and the Continent of Europe. Many great players have taken part in this event, and I have no doubt that this year's teams will continue to uphold its high standards of sportsmanship, skill, and passion for our great game.

Over the years at our club, we have been lucky enough to foster and witness the skills of some of Belgium's greatest golfing talents: from tour legend Flory Van Donck to former Jacques Léglise Trophy player Thomas Detry, we are very happy to have the future of European golf walking down their path on our fairways next summer.

It is the first time that this tournament will be hosted in Belgium and we hope that you will enjoy not only the thrilling competition but also the warm hospitality and wonderful atmosphere that the Royal Golf Club of Belgium has to offer.

We look forward to welcoming the teams, our guests from the R&A and the EGA, volunteers, and visitors for what will undoubtedly be a memorable week of golf for all involved.

CLUB HISTORY

The Royal Golf Club of Belgium, founded in 1906 by **King Leopold II**, initially encompassed both the **Ravenstein course** near Brussels and the **Ostend links**. However, after World War II, the two clubs separated. The club's historic centerpiece, the Ravenstein Manor Farm, dates back to 1460 and has passed through the hands of various noble owners before being gifted to the **Royal Donation by King Leopold II in 1903**. The course is renowned for its impressive variety of tree species, reflecting the King's passion for dendrology.

While the original 18-hole course is often attributed to Seymour Dunn, some believe that renowned golf architect Tom Simpson also played a role in shaping its design during the 1920s. In 1951, Philip Mackenzie Ross further expanded the club's offerings by designing the 9-hole Park Course, providing an additional space for recreational golfers. **Today, the Royal Golf Club of Belgium remains one of the most prestigious and historically rich golf courses in the country.**
