## Welcome Message – EGA President

The European Golf Association is grateful to the Swedish Golf Federation and to Bokskogens Golfklubb for hosting the 2025 European Championship for Golfers with Disability. I extend a special thanks to EDGA for their ongoing enthusiasm and hard work in organising this amazing championship.

I am sure that all competitors will enjoy the challenge of the golf course and the friendly rivalry of the event. On a personal note, I have really enjoyed watching several events for golfers with disability and was very impressed by both the level of play as well as the sportsmanship conveyed by the participants.

My best wishes to all the players, officials and supporters. Play well, enjoy yourselves and I hope that you all will get the chance to make new friendships, which may last a lifetime.
