MESSAGE FROM THE EGA PRESIDENT

The European Golf Association is delighted to organise the 2025 European Mid-Amateur Men's and Ladies' Team Championships, following a very successful first event held last year.

We are very grateful to the Royal Spanish Golf Federation and to Empordà Golf for hosting this second edition, as we hope that this event will grow from strength to strength in the future. We are pleased to have this championship played in Spain who is a great host of many of our events.

Mid-Amateur golf is of increasing importance to the well-being of the game: indeed, it is by providing opportunities to the best amateur golfers to continue to enjoy competitive golf that the game will secure the long-term commitment and the dedication of its most enlightened players.

I wish all competitors a most happy and successful championship!

Caroline HUYSKES
President
European Golf Association

MESSAGE FROM THE RFEG PRESIDENT

The Royal Spanish Golf Federation is pleased to host the 2nd edition of the European Mid-Amateur Ladies & Men's Team Championship at Empordà Golf, where particularly important tournaments have been played, including several Challenge Tour Tournaments and DP Tour qualifying Schools series.

Great facilities, wonderful resort and a course in the heart of Costa Brava, recognised all over Europe.

My gratitude to the President and Board of Empordà Golf for their generosity.

I wish all players, captains, and officials a very enjoyable and pleasant championship.

Juan GUERRERO BURGOS
President
Royal Spanish Golf Federation

MESSAGE FROM EMPORDÀ GOLF PRESIDENT

It is both a pleasure and an honour to welcome you to one of the few clubs in Spain conceived independently of real estate interests, fully dedicated to the sport of golf. At EGC, you will have the opportunity to enjoy two remarkable designs by the legendary Robert von Hagge, the first courses he created in Spain. The **FOREST** course winds through Mediterranean pines in an ancient forest, blending natural beauty with a protected, challenging environment. The **LINKS** course offers a more open and natural landscape, flowing between dunes and lakes, providing a strategic test of players' skill and tactics.

Our hotel stands out for its comfort, personal interior design, and prime location. Nestled in the heart of the Empordà, it offers not only the chance to enjoy the famous beaches of the Costa Brava, but also to delve into the region's lesser-known medieval and cultural treasures. You can savour its exquisite gastronomy and explore unique gems, such as the globally renowned Dalí Museum or his iconic house in Portlligat.

In 2025, you will benefit from the latest upgrades we have introduced: the remodelled tee boxes and facilities; the striking practice area with a sculptural pergola, equipped with Trackman technology, including simulators and night practice options; and a new 2,000 m² putting green, making it one of the largest in Europe.

These enhancements reflect the commitment of our new team to establish EGC as a global leader in the golfing world. This effort has enabled us to host prestigious events such as the Santander Golf Tour, three editions of the Challenge Tour, and the DP World Tour Qualifying School, attracting some of the best professional and amateur golfers from around the globe.

We invite you to enjoy your stay!
