DIAMOND COUNTRY CLUB, AUSTRIA

EUROPEAN SENIOR MEN'S TEAM
CHAMPIONSHIP

25

On behalf of the European Golf Association, I am grateful to the Austrian Golf Association and to Diamond Country Club for hosting the 2025 European Senior Men's Team Championship.

There is no doubt that all competitors will be conscious of the privilege of representing their country and keen to win such a prestigious team trophy.

As always, the championship will be played in the friendliest atmosphere, and many friendships will be made or renewed.

I hope that, as players, team captains, coaches, club or federation officials, all of you will also feel encouraged to support the game and its future generations and to uphold golf's traditions of integrity, fun, sportsmanship, friendship and elegance.

Best wishes to all for a most enjoyable event.

Caroline Huyskes

President, European Golf Association

It is both a great pleasure and a profound honor to welcome you to the 2025 European Senior Team Championship at the Diamond Country Club. For Austria to host this prestigious event for the third time – the first country ever to do so – is a remarkable testament to the trust and appreciation we enjoy within the European golfing community, and it fills me with immense pride.

On every occasion, the Diamond Country Club – celebrated for its sporting excellence and warm hospitality – has provided the perfect stage for this championship. Yet much has changed since we last gathered here in 2018 and 2020. In the summer of 2024, the Diamond Country Club was struck by a devastating flood. Nearly the entire facility lay under water, and the images of the destruction deeply moved the entire golfing world.

All the more remarkable, then, is what followed: in just a few short months, the course was restored to its customary world-class standard. This extraordinary comeback is a testament to tireless dedication and exemplary teamwork. Today, the Championship Course not only shines in its former glory but also benefits from a new layout crafted by the renowned architects at Olazabal Design – a course that now meets the highest demands of the modern game. What remains unchanged is the club's unique, friendly atmosphere and the uncompromising Diamond quality. I can assure you: you will be impressed.

My heartfelt thanks go to the Guzy family and the entire Diamond Country Club team, whose commitment and passion have marked yet another milestone in the club's proud history. I wish all players wonderful rounds, memorable competition, and unforgettable days here in Austria.

DI Gerhard Frühling

Präsident Österreichischer Golf-Verband (ÖGV)

Diamond Country Club feels honored to be the venue of the European Seniors Team Championship 2025. It is a special privilege to welcome Europe's best senior amateur players to Atzenbrugg. Over the past years, our course has written many chapters of golf history, having hosted 11 European Tour events and 6 EGA Championships. Players such as Miguel Ángel Jiménez, Sepp Straka, Matt Fitzpatrick, Shane Lowry and many of today's Ryder Cup stars have competed here and left their mark on our fairways.

The past year confronted us with an unexpected challenge: a severe flood that left our course devastated. For four weeks, large parts of our facility were more than three meters under water. Thanks to the extraordinary support of volunteers, our dedicated staff, and the entire golf community, we have been able to turn this difficult situation into an opportunity. Guided by our motto "Even better than before", we not only restored the course but also improved many aspects of it, ensuring that our championship layout once again offers the highest playing standards.

This European Seniors Team Championship is therefore a wonderful opportunity to show representatives from all across Europe what has been achieved here in Atzenbrugg. Less than a year after the devastating flood of September 15, our facility presents itself again at the highest level – proof of the tremendous effort, dedication, and vision that went into rebuilding Diamond Country Club. We are grateful to the EGA for their trust and proud to welcome Europe's finest senior amateurs to our renewed championship course.

VENUE INFORMATION

CLUB DETAILS

The Diamond Course, located in the beautiful Diamond Country Club in Atzenbrugg is a golf course situated in the “Tullnerfeld” region in Lower Austria, about an hour’s drive to Vienna.

The course is a remarkable European Tour Properties Venue and a Member of the Leading Courses in Austria. The golf club itself is one of the most famous ones in Austria and the only golf club in Austria that is currently a European Tour destination. It hosted the event itself for a total of 11 times.

The venue also offers a golf resort which was completed and opened in 2015, and it offers 42 rooms.

The club facilities include a pro shop, a conference room, 2 restaurants (Clubhouse and Boathouse), and locker rooms. The offered services include free wi-fi, rental carts, club fitting and repairing.

The practice facilities are as follows: driving range with grass and winter tees, and two short game areas.

THE COURSE – 11 times European Tour Event host & past EGA Championships host

The layout of the Diamond Course challenges every player’s ability. It truly is a scenic and challenging test of golf, featuring water hazards which threaten tee and approach shots on nearly every hole.

The course itself was originally designed by the well-known Jeremy Pern. Nevertheless, the course was modified a few times to keep up with trends. For instance, hole number 17, was redesigned by European Tour champion Miguel Ángel Jiménez.

Experience the European Tour standard, which allows for precise shots in challenging settings, far from those packed fairways. The trim cut grass and perfectly kept greens allow for the best games of golf, surrounded by beautiful and fair water hazards.
