Parador El Saler Golf, Valencia, Spain

2026 European Young Masters

Message from the EGA President

On behalf of the European Golf Association, I am delighted to welcome teams, competitors, captains, officials and supporters to the 2026 European Young Masters, one of the highlights of the European junior amateur golf season.

We are extremely thankful to the Royal Spanish Golf Federation and to Parador El Saler for hosting this championship and for their excellent organisation. My appreciation also extends to all officials, staff and volunteers whose professionalism and commitment contribute so greatly to the smooth running of this event. I am sure that all competitors will enjoy both the challenge of the course and the quality of this wonderful venue.

For me, this event is extra special as it takes place in Spain, my home country. Golf is improving, a Tournament like this is an inspiration for the next generation of players. It is also seen as a preview of what's to come in 2031, when the Ryder Cup will be played in Spain. I am confident that the showcase of skill and sportsmanship displayed at Parador El Saler will be a great pleasure to watch.

The event provides an early opportunity for European golfers to test their skills against each other and to make friendships which can last a lifetime.

I wish all teams every success and hope that you will leave with lasting memories of both the competition and your time in Spain.

2026 European Young Masters

Message from the RFEG President

It is a great pleasure for the Royal Spanish Golf Federation to welcome all players, officials and families to the European Young Masters 2026.

Designed by Javier Arana and inaugurated in 1968, El Saler is considered one of Europe´s finest courses. Set between the Mediterranean Sea and the Albufera Natural Park, its unique combination of dunes, pine forests and coastal landscape offers both a demanding championship layout and an exceptional natural setting. Over the years, it has hosted numerous prestigious tournaments, consolidating its international reputation.

We are proud that this outstanding venue will showcase Europe´s most promising young talents, who represent the future and values of our sport.

We also hope that all participants and their companions will enjoy the vibrant city of Valencia, its Mediterranean gastronomy, beautiful coastline and warm hospitality.

On behalf of the Royal Spanish Golf Federation, I wish you a successful and memorable championship.

Juan GUERRERO-BURGOS
President
Royal Spanish Golf Federation

Parador de El Saler golf course is considered by professionals and enthusiasts, institutions and specialised press as one of the best golf courses in the world. Built in 1968 by Javier Arana, a great Spanish golf architect with international acclaim, it is located in El Saler Natural Park, on the shore of the Mediterranean Sea, in the Autonomous Community of Valencia; it is at the fore-front of economic development in Spain and it is an element of pride for this region.

Its design takes into account for its integration in the protected landscape (non-native species such as the famous "Cat's Claw"), and its course runs through differentiated zones, from beach links, similar to the famous Scottish golf courses, to areas with typical Mediterranean forest. Its total length is 6.355 m., split into 18 holes, with a par of 72. The club also has a golf school, practice ground, 3 putting greens, 2 approach greens, a pro-shop, club hire, electric trolleys and carts and a snack-bar and restaurant.

It can be said that the Parador de El Saler Golf Course (Valencia) is considered as one of the top 60 courses in the world and within the top 3 in Europe, and this is testament to the professional players and enthusiasts, as well as the specialised institutions and Press.
