Message from the EGA President

On behalf of the European Golf Association, it is a great pleasure to welcome all clubs to the 2026 European Ladies' Club Trophy, organised this year at Hamburger Golf-Club in Germany.

The European Golf Association warmly thanks the Deutscher Golf Verband e.V. for their dedication in hosting this championship. I would also like to express my appreciation to the officials, staff and volunteers whose commitment and professionalism contribute so greatly to the success of this event.

This championship offers a valuable opportunity for some of Europe's best clubs to come together and compete at the highest level, while embracing the spirit of sportsmanship and friendly rivalry that lies at the heart of our game.

I extend my best wishes to all competing teams and trust that this championship will be both rewarding and memorable, leaving you with lasting impressions of your time at Hamburg.

Joaquín CASTILLO, President of the European Golf Association

President's Message

For many years, the European Ladies' Club Trophy has stood for sporting excellence, fairness and the unifying power of golf across national borders. It is my great pleasure to welcome the players, officials and guests to this prestigious international competition at the Hamburger Golf-Club.

With its long tradition, outstanding course architecture and deep roots in German golf, the Hamburger Golf-Club offers a dignified and inspiring setting for this tournament. Sporting ambition and Hanseatic hospitality come together in a special way here.

The European Ladies' Club Trophy is much more than a sporting competition. It exemplifies the dynamics, quality and international relevance of women's golf in Europe. The participating players represent their clubs with team spirit, commitment and passion – values that characterise the sport of golf.

My sincere thanks go to the Hamburger Golf-Club, the organising team, the volunteers and all partners and sponsors whose commitment makes it possible to host a tournament of the highest sporting and organisational standard.

I wish all participants fair competition, special sporting moments and the spectators exciting days of golf in a unique atmosphere.

Claus M. KOBOLD, President of the German Golf Association

President's Message

Dear participating Teams and supporters,

We are truly honoured to be hosting you on the occasion of the European Ladies' Club Trophy 2026.

At the Hamburger Golf-Club we will do our utmost to present our wonderful course in the best possible condition and provide for a fair competition.

Our members and the whole Club are very much looking forward to extending our hospitality to you.

Ulf HOLLÄNDER, President of the Hamburger Golf-Club e.V., Germany

Venue

Hamburger Golf-Club e.V.

The Hamburger Golf-Club e.V. was founded on 16 January 1906, making it one of the ten oldest golf clubs in Germany. Initially, the club was based in Flottbek before moving to the current club grounds. In the west of Hamburg, in the immediate vicinity of the Elbe, the present championship course in Falkenstein was built between 1928 and 1930 by the world-famous English golf architects Colt, Alison and Morrison.

Due to its history, the club is closely linked to the development of golf in Germany. In 1907, the Hamburg GC was one of the founding members of the German Golf Association and also provided its first president. Since then, the Hamburg Golf Club has been firmly anchored in German golf history.
