Message from the EGA President

The European Golf Association is grateful to the Italian Golf Federation and Golf Club Genova Sant'Anna for hosting the 2026 European Team Championship for Golfers with Disability and the 2026 European Nations' Cup for Golfers with Disability. I extend a special thanks to EDGA for their ongoing enthusiasm and hard work in organising these outstanding events.

This championship provides an excellent opportunity for great golf, bringing together players to compete at the highest level of team golf, while embracing the values of sportsmanship, respect and friendly rivalry that are central to our game.

My best wishes to all participating teams, officials and supporters. Play well, enjoy yourselves and I hope that you all will get the chance to make new friendships, which may last a lifetime.

Joaquín Castillo

PRESIDENT, EUROPEAN GOLF ASSOCIATION

Message from the FIG President

The Italian Golf Federation is honored to host the 2026 European Team Championship for Golfers with disability in Italy. We are sincerely grateful to the European Golf Association (EGA) and the European Disabled Golf Association (EDGA) for the trust placed in our Federation and in our country.

We also extend our appreciation to Golf Club Genova Sant'Anna and to the Liguria Regional Delegation of the Italian Golf Federation for their dedication and commitment in supporting the organization of this great Championship, which highlights the strategic importance of the Paralympic sector within our sport.

This Championship represents not only a high-level sporting competition, but also a significant expression of the values that underpin European golf: inclusion, respect and equal opportunity. The athletes competing in this event embody these principles through their determination, resilience and sporting excellence, serving as an inspiration both on and off the course.

We would like to acknowledge the valuable contribution of our sponsors and institutional partners, whose support is essential to the successful delivery of this event. The Championship also provides a meaningful opportunity to showcase the host region and to promote its cultural and tourism heritage within an international context.

On behalf of the Italian Golf Federation, I extend my best wishes to all participating teams for a successful and memorable Championship.

Cristiano Cerchiai

PRESIDENT ITALIAN GOLF FEDERATION

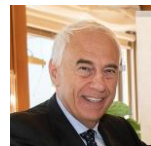

Message from the Regional Delegate for Liguria of the Italian Golf Federation

It is with deep pride that we will host this year's 2026 EGA European Team Championship for golfers with disability, a prestigious international event that celebrates sporting excellence beyond all physical limitations.

This event represents a fundamental opportunity to enhance diversity and promote the breaking down of barriers, demonstrating how sport can drive social inclusion and transform the golf course into a space of true equality.

Thanks to the strength and determination of the competing athletes, we want to promote a culture of accessibility that recognizes diversity as a precious source of inspiration and growth for all.

We are ready to experience days of great sport, certain that the true victory will be seeing our course transform into a space of equal opportunities and pure competitive joy.

Roberto Damonte
