

PRACTICE ROUND TUESDAY 28 JULY 2026

REGULATIONS & GUIDELINES

Hotel Transfer

The journey from the hotel to the club and vice-versa is about 45 minutes especially after 7:30 hours. The bus takes 50 players with their golf bags. So, plenty of space. **Please note the times for the opening ceremony as most teams would need to change into their official team uniform at the golf club.** Lockers will be provided for each team.

Practice Facilities

THE RANGE IS 190 YARDS LONG. USE OF ANY CLUB THAT CAN BE HIT BEYOND THAT DISTANCE IS STRICTLY PROHIBITED. THE PLAYER WILL BE HELD RESPONSIBLE.

Practice facilities at the RMGC are as follows:

- driving range with 11 bays and green with bunker;
- **Range hours are from 06:00 to 18:00 hours;**
- a larger putting green next to the 7th green;
- another putting green next to the clubhouse with 2 driving nets.
- **Due to the limited number of bays on the driving range practice times need to be managed. Please help us to ensure a smooth transition in equity for all the teams.**
A player can access a driving bay 1 hour and 15 minutes ahead of his/her tee time and will have 45 minutes use of the facility.

The range is a good five-minute walk from the clubhouse. It can be accessed either through the car park or from the path inside the course that leads from the clubhouse towards the practice green and then through the gate leading to the car park.

Security & Etiquette

Royal Malta is a tight course so courtesy needs to be applied during play:

- after finishing the 6th hole the walk to the 7th tee brings players very close behind the tee of the 5th. Please be aware that players could be teeing off.
- When teeing off the 8th, please be aware that there could be players putting out on the 10th. The same thing when playing the 11th to players finishing the 13th.
- When approaching the 12th green please be aware that there could be players teeing off the 13th to your left. They have precedence.
- Similarly, when playing the 14th to players on the 15th and when playing the 17th to players on the 18th tee.

Yardage books will be handed out tomorrow during registration. Distances are all in yards even on the score cards.
