My thanks go to all the officials, staff and volunteers who work so hard to make this tournament so enjoyable for everyone. I am sure that all competitors will enjoy this beautiful venue.

This event will be another opportunity for great golf, where some of Europe's most talented amateur golfers come together to compete at the highest level of team golf in friendly rivalry.

My best wishes to the teams, officials and supporters. Play well, enjoy yourselves and I hope that you will all get the chance to make new friendships, which may well last a lifetime.

MESSAGE FROM THE GOLF IRELAND PRESIDENT

On behalf of Golf Ireland, it gives me great pleasure to welcome everyone to Royal County Down for the 2021 European Ladies' Amateur Team Championship.

In these difficult times I particularly wish to thank President Haukur Örn Birgisson and his officials at the European Golf Association and indeed the officials and volunteers at Golf Ireland for their strenuous efforts in organizing this event.

My thanks also to Captain Jeremy Hill and the Council of Royal Co Down Golf Club for allowing us the use of this iconic venue, one which has hosted many international events in the past.

I look forward to five days of exciting and competitive golf played in a sporting spirit and I trust that Captains, team members and visitors alike will enjoy this magnificent golf course in a stunning setting.

John White
President
Golf Ireland

MESSAGE FROM THE ROYAL COUNTY DOWN CAPTAIN

On behalf of The Royal County Down Golf Club I extend a warm welcome to everyone involved in the European Ladies' Team Championship played over our Championship Links at Newcastle.

We are delighted to welcome all the teams who are competing and representing their respective countries from around Europe, and we look forward to a week of exciting and competitive golf. We hope that all competitors enjoy themselves and have fun and that golf is played in that spirit of camaraderie which typifies amateur golf.

Finally, please enjoy the golf, the scenery and the splendour of the Links. Our members remain grateful to their predecessors who asked Old Tom Morris to lay out a course "for the princely sum not to exceed £4" where the Mountains of Mourne 'sweep down to the sea.'

ROYAL COUNTY DOWN GOLF CLUB

Royal County Down is located in one of the world's most naturally beautiful links settings in the Murlough Nature Reserve.

Against the magnificent backdrop of the Mountains of Mourne, the links stretches along the shores of Dundrum Bay, zigzagging back and forth to provide a different vista from virtually every hole.

The narrowest ribbons of fairways thread their way through as impressive a set of sand dunes as could be imagined. The fairways are surrounded by purple heather and golden gorse, so beautiful to look at but so punishing for any who may stray from the prescribed path.

The 'bearded' bunkers are world famous and feature overhanging lips of marram, red fescue and heather. The greens are fast and many are domed, rejecting any

shot lacking conviction. This is a true test of any player's command of the traditional bump and run, the preferred way to play any links.

The ninth hole is one of the most photographed holes in world golf. A 486-yard par 4, it is played from one side of a huge mound down to a fairway some 60 ft below and 260 yards from the tee. From the bottom of the slope the second shot is played over two bunkers to a raised green.

One of the finest links courses, it offers a stern challenge and gives golfers the opportunity of playing a truly great course with the dramatic panorama of the surrounding mountains and coastline.

EUROPEAN LADIES' TEAM CHAMPIONSHIP

TERMS OF COMPETITION AND LOCAL RULES

1. GENERAL

1.1 Eligibility of Teams

Teams are nominated by European Golf Association (EGA) Member National Golf Authorities. If the number of entries should exceed the maximum (20), the Committee shall decide which teams will be invited to participate based on past participation, past results or both until a Division 2 is officially introduced.

1.2 Eligibility of Players

All players nominated to teams by their national golf authority must be female and:

- a) amateur golfers in accordance with the Rules of Amateur Status as approved by R&A Rules Limited;
- b) citizens of the country represented. Players with dual citizenship may only represent one country per year;
- c) playing with a WHS Handicap Index (or other equivalent) of 9.0 or better.

Penalty for Breach of Eligibility Term: disqualification of player.

1.3 Format

A maximum of 20 teams shall be eligible to participate and each shall comprise six players. The Championship comprises two stages played in accordance with the

2019 Rules of Golf as approved by R&A Rules Limited, the EGA Generic Terms of Competition and Regulations, EGA Hard Card and the Local Rules as approved by the Championship Committee at the championship.

1.3.1 Stage 1 - Stroke Play

There shall be two rounds of 18 holes stroke play on Days 1 and 2 to decide the seeded draw for the match play, which commences on Day 3.

a) Order of Play

Team Captains will determine the order of play within their teams for Days 1 and 2 using an official order of play form. If the order of play form is not submitted to the Committee:

- I. for Day 1, by 17h00 on the day preceding the Championship, the order of play will be determined alphabetically by surname;
- II. for Day 2, by 17h00 on Day 1, the order of play will be the same as for Day 1.

b) Scoring

The lowest five scores from each team's six players will count each day. The aggregate of the five lowest stroke play scores from play on Days 1 and 2 will constitute each team's score.

c) *Decision of Ties*

A tie for any place in the match play order shall be decided using the lowest total of the two non-counting scores. If a tie still exists, the sum of the two lowest scores, one from each day, shall be used. For further ties, the sum of the two second lowest scores, the third lowest scores, the fourth lowest scores and, finally, the sum of the two fifth lowest scores, one from each day, shall be used. Any further tie will be decided based on the final stipulated 18, 9, 6, 3 holes or last hole of the best score from each of the tied teams.

d) *Substitutes*

If a substitute player is required, the Committee must be notified, at the latest, 30 minutes before the first tee time of Day 1. After this deadline, the team must remain with the same players for the entire Championship. A substitute player is permitted for any reason, but may not participate in the practice rounds until she has been officially substituted for a team member with permission from the Committee. A breach of this Term may result in the substitute player not being permitted to compete.

e) *Absentee Player*

In the event that a registered team member cannot participate in a stipulated stroke play round, the team's five scores will count. In the case of a decision of ties, the team with the absentee player shall finish last. If more than one player is absent, the team shall automatically assume last place in the match play draw. The remaining players shall be permitted to play their stroke play rounds, which the committee may use to determine match play seeding when more than one team has two or more absentee players.

1.3.2 Stage 2 - Match Play

Irrespective of the number of teams entered, only teams in contention for a

medal will play a match format of two foursomes and five singles. All other teams will play a one foursome and four singles match format.

The stroke play will determine a seeded order for the match play. A maximum of 20 teams will be divided into a first flight of eight teams: 1 vs 8; 2 vs 7; 3 vs 6 and 4 vs 5, second flight of eight teams: 9 vs 16; 10 vs 15; 11 vs 14; and 12 vs 13 and a third flight of four teams who will play a round-robin with the team qualifying 17th playing the teams qualifying 20th, 19th and 18th on Days 3, 4 and 5 respectively.

If there are fewer than 20 teams, the seeded draw will change according to a standardised EGA format.

A win in either a foursomes or singles match shall return one point, a tied match, half a point (see 1.3.2 (d)) and a loss, zero points to the team's score. The results of the round robin will be determined based on points accumulated, with one point awarded for a win, half a point for a half, and zero point for a loss. In the event of a tie, the final positions will be decided by the number of individual matches won and, if necessary, by the number of holes won.

a) *Order of Play*

Team Captains must provide the Committee with their team foursomes and singles orders of play using the official order of play form:

- I. for Day 3 matches, no later than 30 minutes after the completion of the second round of stroke play.
- II. for Day 4 and 5 matches, no later than 30 minutes after the completion of their team's flight the previous day.

Failure to submit the official order of play form on time will result in the order of play being determined alphabetically by surname. Once the official deadline to submit the order of play form has expired,

changes in the order of play are not permitted.

Exception: substitute Term 1.3.2 (b).

Penalty for Breach of Term 1.3.2 (a): disqualification of all players out of the pre-stated order of play.

The draw will be published as soon as possible after the deadline has expired.

b) *Substitutes*

One substitution for the medal-contention foursomes and one substitution for the medal-contention singles may be made for any reason. The Committee must be notified of a substitution no later than 30 minutes prior to the team's first foursomes / singles tee time. The substitute will take the position of the player she substitutes.

The substitution will be published as soon as possible after the deadline has expired.

c) *Tied Match*

In the event of a match being all square after 18 holes in any round, players shall continue to play until one wins a hole, when the match will be considered won.

Exception: Term 1.3.2 (d).

d) *Concession of Matches*

When a final team match result is already decided, an individual match may be tied if all participants in that match agree.

Note: after 18 holes or any extra hole(s), if the players in an individual match remain all square and the final result of the team match has been decided, the match in question will be tied.

Exception: if the matches within a flight are to be played as a round robin, players must play until the end of the round which will not be extended into extra holes.

e) *Absentee Players*

In the event that one (several) registered team member(s) cannot participate in a match play round, matches shall be forfeited at a position within the order of play according to

the following principles.

I. Foursome matches must not be forfeited and must always be played.

Exception: in a medal-contention match, if a team has three absentee players, one foursome will be forfeited.

II. Non-Medal Contention Matches

- i. If the "withdrawal" occurs before the official deadline to submit the order of play form has expired, the Team Captain will return the order of play form with the absentee player placed in the position of his or her choice in the singles and that match will be forfeited.
- ii. If the "withdrawal" occurs after the official deadline to submit the order of play form has expired,
 - if the absentee player is listed to play in the singles: his match shall be forfeited,
 - if the absentee player is listed to play in the foursome, he will be replaced by one of the players listed to play in the singles. The replacement will be determined by lot and his single match shall be forfeited.

If fewer than four players are available to represent a team, that team must forfeit its match.

III. Medal Contention Matches

- i. If the "withdrawal" occurs before the official deadline to submit the order of play form has expired, the Team Captain will return the order of play form with the absentee player(s) placed in the position(s) of his or her choice and the match(es) shall be forfeited.
- ii. If the "withdrawal" occurs after the official deadline to

submit the order of play form has expired, the absentee player(s) match(es) shall be forfeited.

Exception: Term 1.3.2 (b).
If fewer than three players are available to represent a team, that team must forfeit its match.

Note to I, II and III: In the event that opposing teams would each have one or more absentee players, then these players would be deemed to have been paired together and to have tied their match. Should this require the re-pairing of matches, the player(s) in the match(es) impacted higher in the order of play will descend to play the player(s) in the other impacted match(es). A team match tied result would be decided by stroke play qualification position.

1.4 Practice

A team player, team captain or advice giver will not be allowed to practice on the championship course for a period of fifteen days prior to the first official practice day, unless he or she is a member of the golf club at which the championship is being played. Only registered team players will be permitted to practice during the official practice rounds and in official practice areas. See Section 1.3.1 (d) for information on practice for substitutes.

1.5 Team Captain and Advice (Rule 24)

- a) *Team Captain (Rule 24.3)*
Each team must nominate a Team Captain who must be an amateur golfer in accordance with the Rules of Amateur Status as approved by R&A Rules Limited.

Penalty for Breach of Local Rule: disqualification of Team.

Procedure if a team has not nominated a Team Captain: the player whose surname comes first alphabetically will

automatically be appointed the team captain.

- b) *Advice (Rule 24.4)*
Two advice givers may be named by each team from whom players in the team may ask and receive advice. The first must be the Team Captain (see 1.5.a)) and the second may or may not be a professional golfer. The advice givers must be identified to the Committee prior to the start of the Championship. The advice givers must not walk on the putting green when the ball of a team player is on the putting green.

Penalty for Breach of Local Rule: general penalty. The advice givers must not ride on any form of motorised transportation during play except as authorised or later approved by the Committee.

Penalty for Breach of Local Rule: first breach: warning; subsequent breach: loss of advice giver status.

1.6 Caddies / Electric Golf Trolleys

- a) Rule 10.3a is modified in this way: a player must not have a caddie other than a fellow team player during the round.
b) Electric golf trolleys are only permitted if there is a sufficient number to be equally distributed among the teams.

Penalty for Breach of Local Rule: the player gets the general penalty for each hole during which she is in breach of the local rule. If the breach happens between two holes, the player gets the general penalty for the next hole.

1.7 Disqualification

A penalty of disqualification for a breach of the Rules or the Terms of Competition applies only to the round in which the breach occurred unless otherwise determined by the Committee. A disqualified team will assume last place in the championship.

The Organising Committee will return the Trophy to the EGA Office who will be responsible for engraving and maintaining it.

The EGA will present medals to the members of the winning team and to the members of the second and third placed teams. Professional golfers nominated as advice givers may receive a medal in the absence of a non-playing amateur team captain.
